

OUR A/V TEAM IS GREEN

SUPERIOR AUDIO-VISUAL SERVICES WITH DEDICATED TECH SUPPORT

The Portola Hotel & Spa at Monterey Bay is proud to be the technology leader on the Monterey Peninsula. Whether it's high definition video conferencing capabilities, or the exceptional audio visual technologies, our professional staff is here to provide you with seamless, qualified service.

Highlights Of Our Green Initiatives:

- Batteries Recycled through a city wide Initiative
- Digital Signage - Reduces paper signage & waste
- Digital Signage - Turns off during wee hours
- Reusable Mats - cuts down on gaffer tape usage
- Duvatyne for dressing over doors instead of one time use tape provides better safety as well extends cable life significantly
- Ethernet & Fiber Infrastructure Technology compatibility for the foreseeable future.
- Packing Materials - as we are operated by the hotel our gear is on property in reusable cases
- Carbon Foot Print
 - LED Stage and Up lighting
 - Fluorescent Lighting used during sets & strikes
 - Theatrical Lighting turned off when not in use
 - In house staff means no extra airline travel, truck & car rentals for staff, equipment, waste from packing materials and freight
- HD TelePresence & Standard Video Conferencing & Streaming allowing clients, guests and the community to be at multiple places at one time while keeping ones carbon foot print to a minimum
- State of the art Klipsch and JBL house sound removes the need for extra cabling and taping
